

Community Technical Advisory Committee (TAC)
For the Cancer Cluster Investigation
April 13, 2011, 7:00pm-8:30pm
Frederick County Health Department
Auditorium (entrance "C")
350 Montevue Lane
Frederick, MD 21702

TAC Purpose: **a).** To provide assistance in determining what questions should be examined regarding cancer numbers – geographic region, time period, types of cancers, etc. and then **b).** To identify options for how to answer the question(s)/hypothesis(es).

Working Hypothesis: There is an increased rate of cancers (gather data on all, possibly narrow down later based on confirmed exposures) within a ¼ mile radius around Ft. Detrick (Area A and B).

- I. Introductions
- II. Review of Notes from March 9 Meeting
- III. Update on Ed Kruse's Research Proposal
